

The variety of plaques below go from 12 multiple plates to 24 multiple plates, and are offered on genuine walnut, walnut veneer and walnut finish. All the black plates have been laser engraved with logos and text. The satin brass plates have been diamond drag engraved and oxidized. There is no template charge for laser engraving black plates but there is a template charge for engraving logos on satin brass plates. Refer to pages 57-58 for engraving information and pricing, and pages 27-31 for our complete line of 2" medallion inserts. The bottom row of plaques is supplied with magnetic release plates that pop in and out for easy engraving and future changes.

Multiple Plate Plaques in Walnut Finish & Walnut Veneer

The plaques below have plates ranging from 12 up to 150. On your larger size plaques we use walnut veneer boards which do not warp, and present a rich uniform color. The black plates have been laser engraved with logos & text. The one satin copper plate has been diamond drag engraved & oxidized. There is no template charge for laser engraving black plates but there is a template charge for engraving satin copper or brass plates. Refer to pages 57-58 for engraving information and pricing.
