

Below are three different style cups series offered in gold with a walnut finish base. The cups and stems are all metal, but cannot be engraved. The trophies are shown with a satin brass plate; however you may substitute a black plate at no additional charge. All risers are interchangeable, and changing the riser or figure will change the price. Please refer to pages 27-32 for the medallion insert selection, and pages 57 & 58 for engraving information and pricing. For logo engraving on plates we suggest using a black plate change.
