Logo Requirement

For digital artwork: we work primarily on PC platform. We can not accept MAC files. We prefer Corel Draw over all other formats. **Corel Draw**: all text should be converted to curves, with hard copy included. **Adobe Illustrator**: convert all type to "outlines" and include hard copies. Please contact us before sending artwork in a format not listed above. If you are sending artwork on disk we must receive a hard copy to insure accurate rendering. On disks: we accept standard 3-1/2" floppy diskette, CD/DVD and thumb drives.
